

# Mercedes-Benz Pricelist - MY 2010

Mercedes-Benz

# Welcome to the World of Mercedes-Benz in the Middle East

We are delighted that you are interested in the Mercedes-Benz brand. The star is a synonym not only for quality, reliability, safety and progressiveness, but also for dynamic design, highest levels of comfort and a unique driving experience. After all, in every single Mercedes-Benz all of our passion for the automobile is encapsulated - as it has been for more than 100 years.

On the following pages we briefly introduce you to our range of vehicles and, of course, we are giving you an overview of the endless possibilities of equipping the vehicle to your needs. While specifying your car you will notice that the standard execution already offers a wide range of equipment making your travel as pleasant as possible. For an even more individual specification, we are offering a wide variety of optional equipment and accessories.

After all, only in real life will you be able to experience what makes a car a Mercedes-Benz, whilst looking at its design, feeling the quality of materials used for the interior and exterior and, last but not least, while driving it. If you would like any more information about your new Mercedes-Benz, then please contact one of our sales consultants. They will be happy to attend you on your visit in our showrooms.

This pricelist is valid for the following countries:

- Kingdom of Bahrain
- State of Qatar
- State of Kuwait
- Sultanate of Oman
- Kingdom of Saudi Arabia
- United Arab Emirates

Your Mercedes-Benz Team Middle East

HOW TO USE:

1. Choose your basic vehicle from the available engine variants.
2. See the additional equipment for your vehicle under GCC Package.
3. Choose from the range of additional options over and above the already included GCC package equipment.
4. By adding up the vehicle's GCC price and the price of optional equipment available at an extra charge, you will easily be able to calculate the final price for your car in the showroom.

## WHAT IS INCLUDED

All necessary costs to put your vehicle on the road are already included in the prices.

As there are:

Pre-delivery inspection

Two-year manufacturer's warranty

+ Third year General Distributor's warranty

(In some countries a fourth year General Distributor's warranty is included at an additional surcharge)

Gulf Mobility Programme

## FURTHER INFORMATION:

For further inquiries, please contact your exclusive Mercedes-Benz General Distributor.

If you want to provide us with your feedback on this brochure or any other topic related to the Mercedes-Benz Passenger Car product range, please feel free to contact your local Mercedes-Benz General Distributor or Daimler Middle East & Levant FZE, as the Regional Office of Daimler AG, Germany.

## The B-Class

Experience the intelligence of the B-Class with the New Telematics Generation, which combines cutting-edge technology with superb intuitive functions. It can be further enhanced with the Media Interface to connect iPod, MP3 players and other portable audio devices via USB and Aux-In. The B-Class takes intelligence to another level. Active Parking Assist helps guide the vehicle into parking spaces automatically with the driver only needing to use the accelerator and brakes.

Available models:

- B 160
- B 180
- B 200
- B 200 TURBO

## The CLC

For a fast-moving lifestyle, the CLC Sports Coupé is dynamic and athletic in both looks and performance. Bold styling with a sporty front apron and grille sets the tone for this distinctive model. Stylish touches throughout add to the driving experience, as does the optional sports package which helps it to hug the road tighter and handle even more responsively.

Available model:

- CLC 180 Kompressor
- CLC 200 Kompressor
- CLC 250
- CLC 350

## The SLK

The new generation SLK rarely stands still. The new high-rev SLK 350 Sports engine comes with improved performance of 224 kw/305 hp, while being conscious of the environment - fuel consumption has been reduced by 1.1 litre/100km. For an extra dose of sportiness, the new direct steering system is equipped with a steering angle-sensitive ratio that increases agility while reducing the number of turns necessary for parking.

Available models:

- SLK 200 Kompressor
- SLK 300
- SLK 350
- SLK 55 AMG

## The E-Class Coupé

You can recognise a Coupé from Mercedes-Benz upon first glance. Its design is unmistakable, featuring an unusual synthesis of sportiness elegance. The new E-Class Coupé follows this line with every detail - from the Coupé radiator grille with two louvres and Mercedes-Benz star all the way to the exhaust tip. The distinctive character of the front area, the powerful shoulderline and the muscular rear with diffuser and LED tail lights symbolise pure dynamism. And the continuous retractable side windows without the interruption of a B-pillar demonstrate a unique elegance.

Available models:

- E 250 CGI
- E 350
- E 500

## The CLS

One look at the newly enhanced CLS and you're hooked. Once you've been charmed by its looks, run your fingers along the smooth leather finishing and elegant chestnut wood trim. Indulge in the aesthetics of the instrument cluster, designed with a chiselled backplate surface and complemented by white dials and gauges. It doesn't end there. The new 3-spoke steering wheel with decorative matte chrome highlights will ensure you fall truly in love with the CLS.

Available models:

- CLS 300
- CLS 350
- CLS 500
- CLS 63 AMG

## The S-Class

Live in the present, drive in the future. The S-Class has long embodied the platinum standard for luxury cars. For the past 50 years, it has led the way with pioneering technology and superior craftsmanship. The elegantly appointed interior with the wooden trim wraps you and your passengers in absolute luxury, with the reassurance of PRE-SAFE<sup>®</sup>. Even the Dynamic Multicontour seats are a marvel, inflating and deflating for different road conditions and massaging your back, so you arrive feeling refreshed.

Available models:

# The SL

The legendary new generation SL is sports driving refined. The SL 600 reaches 100km/h in only 4.5 seconds, while revised V6 and V8 engines propel every SL in style. Its front end has been radically redesigned, with power domes on the bonnet reminiscent of the SL's history. Yet another reference to the past is the gill-like trim panels - they recall the air outlets of the legendary 300 SL. The new SL - a stunning synthesis of tradition and technology.

Available models:

- SL 300
- SL 350
- SL 500
- SL 600
- SL 63 AMG
- SL 65 AMG

# The SLS AMG

Not even time can overtake it. The allure of the new SLS AMG cannot be described on a few pages - but that won't stop us from trying. It combines high-tech with breathtaking design and unique gullwing doors like no other super sports car. Built using innovating, cutting-edge technology and lightweight materials. But also injected with lifeblood passion.

## The M-Class

With a ground clearance of 210mm and fording depth of 500mm, heading off-road in the ML 350 is a refined experience. Its 4MATIC all-wheel-drive tackles the most slippery slopes, assisted by the Electronic Traction System (4ETS) and its 272hp, 6-cylinder engine. For extreme situations where the driver leaves the road, all he needs to do is press the off-road button on the centre console and the 4ESP/4ETS dynamic control system will adapt practically all of the functions for off-road use.

With the added smoothness of the standard 7G-TRONIC 7-speed automatic transmission, all you need to do is sit back and enjoy the ride and the sights.

Available models:

- ML 350 4MATIC
- ML 500 4MATIC
- ML 63 AMG 4MATIC

## The R-Class

Space comes with performance like never before. The R 350 L sports a V6 engine for a thrilling ride on any road. Its good looks, both on the front and back, are enhanced by AMG styling, with sportier front and rear aprons as well as fog lamps. The interior of the SUV Tourer has a new dimension, giving you the flexibility of a spacious 5-seater with a large luggage compartment, or a 7-seater with a third seat row. The R-Class is space, beauty and sheer performance in one powerful package.

Available models:

- R 300 L
- R 350 L 4MATIC

## **Disclaimer**

Please note: Changes may have been made to the product(s) since this brochure was published.

The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown, owing to the limitations of the printing process.

This brochure has been compiled by Daimler Middle East & Levant, Dubai, United Arab Emirates and is distributed throughout the countries belonging to the Gulf Cooperation Council (GCC). It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours shown may not be available in your country or may only be available in a different specification. Additionally, some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.
